COVID-19 PANDEMIC-PATIENT DISCLOSURES

This patient disclosure form seeks information from you that we must consider before making treatment decisions in the circumstance of the COVID-19 virus.

A weak or compromised immune system (including, but not limited to, conditions like diabetes, asthma, COPD, cancer treatment, radiation, chemotherapy and any prior or current disease or medical condition), can put you at greater risk for contracting COVID-19. Please disclose to us any condition that compromises your immune system and understand that we may ask you to consider rescheduling treatment after discussing any such conditions with us.

It is also important that you disclose to this office any indication of having been exposed to COVID-19, or whether you have experienced any signs or symptoms associated with the COVID-19 virus.

	YES	NO
Do you have a fever or above normal temperature?	_____	_____
Have you experienced shorness of breath or had trouble breathing?	_____	_____
Do you have a dry cough?	_____	_____
Do you have a runny nose?		
Have you recently lost or had a reduction in your sense of smell? Do you have a sore throat?	_____	_____
Have you been in contact with someone who has tested positive for COVID-19?	_____	_____
Have you tested positive for COVID-19?	_____	_____
Have you been tested for Covid-19 and are awaiting results?	_____	_____
Have you traveled outside the United States by air or cruise ship in the past 30 days?	_____	_____
Have you traveled within the United States by air, bus or train within the past 30 days?	_____	_____

I fully understand and acknowledge the above information, risks and cautions regarding a compromised immune system and have disclosed to my provider any conditions in my health history which may result in a compromised immune system.

By singing this document, I acknowledge that the answers I have provided above are true and accurate.
